

The Call of the Birds

by Séraphine Menu

and illustrated by Fleur Oury

Birdwatcher's journal

If you sit by a window or go on a walk, how many birds can you spot? Take a moment to watch and listen. When you see one, sketch it down and write a description. Where did you spot it? What did it look like? Did it make any sounds?

Don't worry if you can't name every bird – you can use your notes to find this out later!
